## ENTREHUBS - Connecting Universities and Business for a Sustainable Future

The ENTREHUBS project is a pioneering Erasmus+ initiative that aims to strengthen collaboration between universities and businesses in Europe. In this newsletter, we share our journey of developing innovative approaches to entrepreneurship education, key milestones and the steps we are taking to build a sustainable future.

### A Collaborative Vision: Value Co-Creation Hubs

At the heart of ENTREHUBS are the Value co-Creation Hubs(VCHs), which allow students, educators and business leaders to come together to solve real-world problems. These centers :

- Promotes interdisciplinary collaboration between stakeholders.
- Provides students with practical experience in entrepreneurship-oriented problem solving.
- Develops innovative projects to address global challenges such as sustainability and digital transformation.

#### Did you know?

These hubs have already brought together hundreds of participants and solution-oriented projects are being implemented by partner businesses and local communities.
