ENTREHUBS - Transforming Education through Innovation

Shaping the Future in Entrepreneurship Education

Welcome to the new newsletter of ENTREHUBS! This pioneering Erasmus+ funded initiative aims to redefine how entrepreneurship education is taught in universities across Europe. We are proud to be at the forefront of change in higher education institutions through innovative practices, interdisciplinary approaches and value-driven learning.

Significant Achievements of ENTREHUBS

1. Education Toolbox for Educators

ENTREHUBS has developed a comprehensive Education Toolbox to support educators to integrate entrepreneurship concepts into their lessons.

What's in the Toolbox?

- Customizable lesson plans.
- Interactive co-creation activities.
- Real-world case studies that motivate students.

Achievements:

- More than 250 educators have used the toolbox to enhance their training.
- The resources have been used by educational institutions in more than 12 countries.

2. Strengthening the Bridge between Academia and Industry

ENTREHUBS' Value Co-Creation Hubs have facilitated successful collaboration between universities and businesses. These hubs enabled students to gain entrepreneurial experience while developing solutions to global challenges.

Impact:

- More than 200 students participated in co-creation projects.
- More than 50 businesses across Europe were involved in the projects.

Looking Ahead Call for Participation

ENTREHUBS invites you to take the following steps:

1. Explore the Education Toolbox: Comprehensive resources to enhance teaching and learning.
2. Collaborate with Businesses: Apply the Value Creation Collaboration Hub model to your community.
3. Apply the ENTREHUBS Model: Integrate entrepreneurship education across all disciplines and encourage students to become future leaders.

Join us to transform education and create sustainable solutions through ENTREHUBS!
