

MULTIPLIER EVENT

PRESS RELEASE

Entrehubs

In this issue, we would like to share about the multiplier event we organized as we are approaching the end of our project.

MULTIPLIER EVENT

On October 22nd at Ankara Hacı Bayram Veli University, our multiplier event, which we held in 2 sessions with the participation of faculty and students, was very productive. We made announcements both physically with flyers and digitally through social media channels, and the participation was quite high.

We had a great multiplier event where we introduced our project's aims and objectives, partners, Entrehubs training toolbox, training program for higher education trainers, online summer school and then brainstormed with Q&A.
